Grade 12

Grade 12 organized mesmerizing performances that ranged from old Disney classics to modern musicals. From the enigmatic performance of the *Beauty and the Beast*, to the bone-chilling *Chicago*, with the peppy *Legally Blonde* to the exciting *Into the Woods*, it was truly a heart-warming experience. The Sapphire House emerged as the winners.

-Rakshita Singh

Grade 6

During Lit Week Grade 6 had a scintillating debate on 'the existence of discrimination in society.' The competition was between the two sections of Grade 6. The debate was heated yet good natured. The debate however was won by 6 A.

-Nandini

Grade 8

Some believe that fairy tales are veridical, some believe that they are not. Grade 8 thus "innovated the fairy tales", illustrating typical fairy tales with a twist. The acts were 'Life After Ever After' and 'The Homecoming'. The competition was won by, 'Life after ever after'.

-Prachi Atri

Inter-House Senior Basketball was held from the 24th of February to the 1st of March. The teams really worked hard to reach the finals. It was a great experience where basketball players gave in their best till the very end. There was an environment of immense cheerfulness and complete enthusiasm among the players.

Ruby House emerged as the winners.

- Mehvish Manzoorwani

MUSSOORIE MOUNTAIN FESTIVAL

The Mussoorie Mountain Festival was held at Woodstock School on the 15th, 16th and 17th of March. It focuses on the Culture and Heritage of the Himalayas through the aesthetic philosophy of Ancient India. The Geography and Art students of Grade 12 were invited to attend the festival. The highlight of the festival were the exhibitions portraying the Navrasa's through folklore, Life of the gallant Sherpa, Mapping of the Indian Subcontinent, Conservation efforts of Leh and the Traditional drumming of Manipur. Along with this, Traditional Arts of Bhutan were also displayed and live pottery sessions were held for everybody. It was an extremely remarkable festival with full of fun, frolic and learning.

-Anika Gahlot

INTER-HOUSE SCIENCE GEP

The students of Grade 10 and 12 conducted a Science GEP as a part of an Inter-House event. It was a new learning experience where students learnt to make interesting scientific models based on the concepts that were learning in class. Diamond House conducted experiments on "Paper Helicopters", followed by Emerald House who used baking soda and vinegar to make rockets that could fly. Sapphire House surprised us by showing the mechanism of the respiratory system of their very own Alien, "Dot". But, Ruby House emerged as the winners by showcasing their "Mechanical Hand". It was wonderful experience and we look forward to more in future.
