## FOUNDERS DAY

This year the Founders marked the completion of 15 years since its inception in 1999. To celebrate this long mirrored journey, all the teachers and students came together, on 18th and 19th of October, as a family and put together a series of events spreading across these two days. Their hard work clearly paid off as Founders 2014 was a huge success.

18<sup>th</sup> of October 2014, the first day of Founders, commenced with the much awaited Parent Teacher Meeting. Various clubs like the Safe Club the Photography Club and departments such as the Science, Social Sciences and Art showcased various works of all the students through exhibitions. All the exhibitions were very well organized and were appreciated by the parents. It was followed by a melodious evening thanks to the school orchestra, "Ninaad". The orchestra left the audience spellbound and mesmerized with their beautiful music. "Ninaad" was followed by the Award Ceremony where the ICSE and ISC toppers were acknowledged for their excellent performance in the Board exams. The Houses were also recognized for their achievements with Ruby House winning the Academic trophy, Emerald House winning the Sports trophy and Diamond House the conduct trophy and most prestigious "Cock
