

Maya Norula
Principal

Dear Parents,

I have an update for you from the Council. The ICSE examinations have now been cancelled. Please find a circular from the Council attached.

We have been advised to continue with the process of admission to Grade 11 and start online classes.

All Hopetown's ICSE students who confirmed their interest in continuing their studies at Hopetown have received their Grade 11 textbooks when they were on campus. We will be proceeding now with the paperwork and data required by the Council to evaluate ICSE students and thereafter we will register our students for the ISC (Grades 11 and 12) program.

With our best wishes for your safety,

Maya Norula
