## OUR ALUMNI REVISIT THE SCHOOL:

Nupur, the founder of Drum Circle, Dehradun; a beloved alumna visited the school to help Anvesha Poddar with her college interview. The feeling of watching a child grow from preparing for a college interview to help prepare for a college interview is overwhelming! Thank you Nupur!

Jasmin Bhatia from the batch of 2013 visited the school and met the Performing arts department teachers and students on the 9th of April, 2022 and enjoyed Korean Culture Fest along with her fellow Hopetavians.

Who better to call for a Student Council Investiture Ceremony than an alumna who was a positive role model and a successful sports captain in her times? This year, the chief guest for the ceremony was Devanshi Singh, an alumna who passed out in 2012. Devanshi inspired our girls with her speech and touched many hearts. Much gratitude to you Devanshi!

On the occasion of the Inter-House Music and Dance competition, 2022. Arshiya Garg, Namya Khurana, Yashika Malhotra and Sukhmani Kaur paid a visit to the school to witness the performances by the four respective houses.

We thank you for making time; Hopetown is still home to you and we look forward to seeing you again!

It is always a proud feeling when you host your own alumna to speak to their juniors. It was our privilege to have Manjari Goel as a guest speaker. Manjari interacted with the Grade 8 students and gave them insights about their subject selection and the right way forward. Thank you so much Manjari for your support and time.
