From Principal's Desk

Dear Parents,

Welcome to the first edition of our monthly newsletter, where we will share key highlights, celebrations, and memorable moments from school life. We hope you enjoy this exciting, enriching, and fun-filled journey at Hopetown with us!

March ended on a high note with our Mid-Term Trips, offering unforgettable learning experiences beyond the classroom. April ushered in the new academic term, bringing an incredible month brimming with activities that showcased the enthusiasm, talent, and dedication of our amazing students.

We began by welcoming our new students on Orientation Day, followed by the launch of several Society and Club Selections, setting the stage for a year filled with creativity and collaboration.

Among the many highlights, our Middle School Initiation Ceremony, Talent Hunt for new students, and regular G2 Activities and Sunday treks kept the energy high. The Mind Wellness Art Workshop fostered creativity and self-reflection, while the Cyber Safety session on Protecting Your Digital Identity strengthened students' awareness in our digital world.

The Middle School Investiture Ceremony marked the beginning of a leadership journey for many students, instilling confidence and responsibility. Additionally, our students actively participated in sports activities, morning yoga, GEP sessions, themed assemblies, the Book Fair, and Spic Macay sessions, further enriching their learning experiences.

To support students in shaping their career paths, we have introduced Career Counselling sessions for Grades 9 to 12, alongside competitive exam coaching and insightful sessions led by our Alumni and industry experts. These initiatives ensure our girls receive the guidance and exposure needed to pursue their aspirations with confidence.

A moment of tremendous pride was the World Scholar's Cup Regional Round, where 66 Hopetown girls won 12 trophies and over 200 medals—a truly remarkable achievement that reflects their hard work and dedication!

Another standout event was our famed inter-school showcase, Izhaar-E-Hunar, a grand celebration of talent beautifully organized by our Student Council and Grade 12, and supported by the Performing and Fine Arts Departments.

Additionally, we introduced e-portfolios, where every child is expected to log the activities they participate in, ensuring a record of their engagement and achievements.

Beyond these activities, we remain committed to academic excellence. To strengthen student learning, we have introduced benchmark testing, enrichment classes, focused math practice sessions, individualised support, and one-on-one mentoring to help students set and achieve academic goals effectively. Our focus is on close monitoring of each student's progress through assessments, personalised feedback, and teacher support, ensuring they receive the guidance needed to excel.

One of my most cherished moments this month was the High Tea I hosted for our Grade 6 to 9 girls at my residence. It was a pure joy to see them relax, enjoy, and strengthen friendships in a warm and welcoming setting.

Looking ahead, we have our Parent-Teacher Meeting (PTM) on Saturday from 8 a.m. to 12 noon, and I look forward to seeing many of you there. And it doesn't end here—our girls will be representing Hopetown at multiple inter-school events and competing in a state-level Yoga Championship this weekend, continuing to make us proud!

It has been a remarkable month, and I couldn't be prouder of our students for their passion, creativity, skill, and dedication. Here's to many more months of growth, achievements, and unforgettable experiences ahead!

Best wishes,

Supriya Srivastava

A Glimpse of the Past Month

We have some more!

Thank You!

A place of learning, bright and new,
Where knowledge blossoms, me and you.
With open minds and hearts so free,
We build a future, you and me.
Within these walls, we seek to know,
The seeds of wisdom, watch them grow.
From alphabets to complex art,
We nurture minds, a brand new start.
A place of friendship, laughter shared,
With teachers wise, our future paired.
We learn and grow, hand in hand,
In this wonderful, learning land!
