

FOURTH ESTATE

October-November 2025 Edition
Hopetown Girls' School, Dehradun

FROM THE PRINCIPAL'S DESK

Dear Parents,

We hope you and your families are doing well. As the term draws to a close, all our girls are preparing to leave for the Winter break. There is a lot of festivity in the air, with Christmas bells ringing, students in their best Christmas spirit, and the Dehradun winter chill adding to the celebrations.

This is always a time to pause and reflect on how eventful and wonderful the past few months have been. October, November, and December kept us all very busy, and we are proud of how much our girls have accomplished.

It was truly delightful meeting so many of you during the PTM and Founder's Day. The Art and Photography Exhibition, along with the Founder's Day celebrations, stole our hearts with the creativity and talent of our children. The warmth and appreciation from parents and guests made these events even more memorable.

Soon after the Diwali break, many of our girls embarked on their IAYP trip. They not only grew personally but also made a difference to the community. Our IAYP Gold Residential Project gave a beautiful facelift to their adopted school building, and their efforts were so well appreciated that they were even covered by a local newspaper.

On the sports front, our girls shone brightly at the District Athletics Meet, securing the position of second runners-up in the entire district, a proud achievement for Hopetown.

November was largely dedicated to academics, with students preparing for their Summative Assessments. Yet, on 14th November, our teachers came together to celebrate Children's Day and enthralled the students with their performances. Grade 8 and 10 students also attended multiple orientation sessions to explore subject options available to them. Another special day was the farewell of our Grade 12 batch—a bittersweet occasion filled with pride and emotion.

Now that exams are over and results have been shared, we request parents to help their children identify gap areas and devote some time to reviewing topics. My special request to parents of girls in the board classes is to ensure that these days are used wisely as preparation leave. At Hopetown, we place great importance on ensuring that our girls not only achieve their aspirational grades in board examinations but also secure admission to leading universities in the courses of their choice.

Finally, I am sure all of you are eagerly looking forward to welcoming your lovely daughters home—and they are just as excited to be with you. We wish you a joyful holiday season filled with special moments together. At the same time, we encourage parents to guide their daughters in managing screen time, spending quality time with family, and maintaining a healthy daily routine. These small steps go a long way in supporting their overall well-being and balanced growth.

Wishing you all a joyful festive season and a restful winter break.

Warm regards,

Supriya Srivastava,

Principal
